Crossroads School of Chaplaincy

Chaplain Learning Goals

Please write out at least two specific goals that you have for both your professional development and your personal growth while undergoing your CSC Clinical Pastoral Training for this Unit. These goals will be in addition to the educational objectives listed for this Unit of training. Setting personal professional goals will help you define specific learning issues for this Unit. Also explain your plan for accomplishing these goals. These goals will be finalized with your Chaplain Supervisor.

Goals for Professional Development:

1.

2.

3.

4.

Goals for Personal Growth:

1.

2.

3.

4.
